Sir,

With reference to correspondence ending with your letter No.869/W/one dated 13-10-1941 conveying approval of Government to the payment of allowances to the tutorial and the clerical staff of the Engineering College, Bangalore, as per revised statements in connection with the training of war technicians, I am directed to state that the work relating to the War Technician classes has been increased as a result of conversion of this from a civil centre to a Civil and Military Centre. The strength of the different sections, including the Instructors' Training Classes has increased to a considerable extent and has gone up to 300. Therefore it is intended to utilise the services of Mr.J.P. Das, Professor of Electrical Engineering (pay Rs.700/-) to assist the Principal in conducting the War Technician Classes.

I am to request you kindly to obtain sanction of Government for the above arrangement and for the payment to Mr. J.P.Das for the above work of a part-time allowance of Rs.75/- P.M.which is within the limitations specified in the revised statement enclosed to your letter No.869/W dated 13-10-1941. The above allowance will be in addition to his salary as Professor of Electrical Engineering in the Engineering College and ~~be~~ payable so long as he continues to do the part-time work, the cost being met from the

the increased training fees of the War Technicians.

I have the honour to be,

Sir,

With reference to correspondence ending with your letter No.3014/W dated 15-5-42, conveying approval of Government to the payment of an allowance to Mr. R. Thimmiah, Instructor of the Engineering College, Bangalore, for part-time work in connection with the training of the War Technicians, I am directed to state that all the 16 Internal Combustion Engine Drivers to be trained at the College of Engineering, under the Government of India War Technicians Training Scheme have joined the Centre and it is found that it is not possible for only one of the College Instructors to attend to their training as part-time Instructor, during their working hours, which are between 7 A.M to 10.30 A.M. and 4.30 P.M to 8 P.M. It is therefore proposed to appoint Mr. N.Lakshminarayana, Instructor of the College (pay Rs.40/-) as the additional part-time Instructor for supervising the training, without prejudice to his normal duties in the College. He will be paid for this part-time mork dn allowance of Rs.8/- P.M. which is 20% of his salary.

I am to request you kindly to obtain sanction of Government for the above arrangement for the payment to Mr.N.Lakshminarayana an allowance of Rs.8/- which will be met out of the War Technicians'
